

# EVERISON INTERNATIONAL GROUP INC

## High Pressure Boiler Tube

- a) Grades: 12Cr1MoVG, 15 CrMoG, SA-106B/C
- b) Standards: GB/T3939, GB 8713, ASTM A519, EN10305-1, DIN2391, GB 8713; also able to produce according to special arrangements that are requested by the buyer.
- c) High Machinery Accuracy:
  - a. Straightness 0.3-2.0mm/1000mm
  - b. Surface Roughness Ra3.2-0.45
  - c. Size accuracy IT9-14 level, inside surface is less than 0.1% of the nominal size roundness
